

Consent Form Researcher Copy: Participants Aged 18 or Over

Title of Research Project: Eyes of the Forest Pizza Playtest

Researcher: Ethan Volonte, Finn McElwain, Carter Hoke, Reclamation

Researcher Contact: ethan.volonte@digipen.edu

In this study you will be playing through our GAM 375 game, Eyes of the Forest in the UR Lab. During your playthrough, you will be recorded through a screen recording and a webcam. All recordings will remain anonymous and will be deleted once analysis is complete. Once you're done playing, you will be filling out a quick 12 question survey.

All materials gathered from this research will be treated as confidential and will be stored in a Google Drive folder. You have the right to access any of your materials (your answers) at any time.

As a participant, you have the right to withdraw consent for your recordings and data at any time up until November 4th, 2025, when the work is put up on Google Drive, and you may also access your own data at any time at your request.

Please answer each statement below concerning the collection of the research data.
